Rare opportunity to acquire a high quality modern
industrial unit

It is relatively unusual, in the York area, for a small freehold industrial unit, to come on the market. This therefore represents a rare opportunity to acquire a unit either for investment or owner occupation. The unit is attractive, modern and located in a popular and accessible location.

Location

Harrier Court is part of the Airfield Business Park at Elvington, a popular and successful business located on the East side of York.

The location offers a semi rural environment, as well as excellent access to the City Centre, the A64, A1079 and A19.

Description

This is an attractive modern industrial building, suited to either manufacturing or storage. The front elevation incorporates full height glazing, to part, which creates an attractive feature. The cladding to the walls and roof is insulated, profiled steel. The warehouse area is accessed by a sectional up and over door and has high bay LED lighting and gas fired warm air heating. A mezzanine, over the offices, provides additional storage.

The office has computer network cabling, set up for e commerce and distribution. There is also a wc with shower and kitchen.

The building has an externally monitored CCTV system and a Grade 2 monitored Security Alarm. The office door is protected by security shutters.

A forecourt provides loading and parking.
